\$ Please fill out this form **no later than two weeks** after issuance.  
\$ **Once completed, the form should be returned to Mike Northridge, USEPA, mail code 2272A, 1200 Pennsylvania Avenue, N.W., Washington, D.C. 20460**, or through LAN mail.

**Site Name: Cleveland Trencher      Region: 5      Date Prepared: 7/22/10**

**Preparer Name: Carol Ropski      Position: Enforcement Specialist      Phone Number: 312-353 7647**

- 1) a) Date UAO issued: 6-21-10      b) UAO Number: Docket No. V-W-10-C-950  
(if available) (e.g., UA002)

c) Date UAO amendment issued:

- 2) Purpose of UAO (please Y appropriate box):  
(Note: Do not include UAOs that are for **access** only)

| Removal | RI/FS | RD/RA |

| X       |       |       |

- 3) Number of parties receiving the UAO: **1 (recipient of UAO amendment to add PRP)**
- 4) Number of parties receiving the UAO that were governmental (local, state or federal) entities: 0  
(Note: Please provide names of any governmental parties that received the UAO)

- 5) Number of parties that did **NOT** receive the UAO: 0

Note: Parties are considered excluded when:

- \$ There is sufficient evidence to make a preliminary determination of potential liability under '107 of CERCLA; and  
\$ They have not previously reached full settlement with the government; and  
\$ They were not issued the UAO.

**STOP** here if the answer to question 5 is zero.

- 6) If parties were excluded from the UAO, please provide the reason(s) for excluding them in the chart on the next page:

**Note:** Agency policy provides for only several acceptable reasons for excluding PRPs from a UAO. These include:

- 1) lack of evidence of the party=s liability;
- 2) the party is financially non-viable;
- 3) the party made only a relatively minor contribution towards the site conditions (e.g., sent only a de minimis amount of waste to the site);
- 4) consideration of work that a PRP has already conducted at the site (or has agreed to

- 5) *conduct), especially where such work is equivalent to that PRP=s Afair share;@ and the UAO was already being issued to a large number of PRPs and the inclusion of additional parties would have raised manageability concerns.*

|   | <b>Reason for Exclusion</b>             | <b>Number of Parties Excluded due to Reason</b> | <b>Identify any Government entities excluded</b> |
|---|---|---|--|
| 1 | Lack of evidence; litigative risks      |   |  |
| 2 | Financially non-viable                  |   |  |
| 3 | Minor contribution of waste to the site |   |  |
| 4 | Contributed Afair share@                |   |  |
| 5 | Manageability concerns                  |   |  |
|   | Other reason (please explain)           |   |  |

- 7) Did the package presented to the Regional decision-maker identify the PRPs not receiving the UAO, and the reason(s) for their exclusion? *Note: Along with this questionnaire, please submit a copy of the excerpt from the UAO package that identifies the excluded PRP(s) and the reason(s) for exclusion, plus a copy of the cover page for the package (showing, e.g., the name of the decision-maker as the recipient of the package).*
- A) If the information was not in the UAO package but instead was presented to the Regional decision-maker via a different context, then please prepare a memo to the file now and submit a copy to HQ. The memo should document the different means that were used to present this information to the decision-maker (e.g., via written briefing materials separate from the UAO package itself).
- B) If there is no paperwork documenting that the decision-maker was presented with information regarding both the existence of excluded PRP(s) and the reason(s) for exclusion, please now prepare an appropriate memo to the decision-maker and submit a copy to HQ.
- 8) If the reason (or one of the reasons) for excluding a party(ies) was lack of financial viability, did the UAO package contain (or cross-reference) documentation for each PRP that allegedly did not have an ability to pay cleanup costs? *Note: For each PRP excluded due to financial viability, the 8/2/96 procedures call for PRP-specific documentation of financial condition.*

.....Please don=t hesitate to contact Mike Northridge at (202) 564-4263 with any questions regarding this questionnaire or suggestions for improving this Reform. ....

FIRST AMENDMENT OF ADMINISTRATIVE ORDER ISSUED ON JUNE 21, 2010

This is an amendment of the Administrative Order ("Order"), Docket No. V-W-10-C-950, issued by the U.S. Environmental Protection Agency ("U.S. EPA") on June 21, 2010, to The Cleveland Trencher Company, the Joseph J. Piscazzi Revocable Living Trust U/A Dated January 7, 1997, Mr. Gary L. Thomas, Nationwide Demolition Services, LLC, and Asbestek, Inc., pursuant to Section 106(a) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA"), as amended, 42 U.S.C. § 9606(a).

U.S. EPA herewith determines that Safe Environment Corporation is a "liable party" as defined in Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), and is subject to this Order under Section 106(a) of CERCLA, 42 U.S.C. § 9606(a). Additionally, it is determined that "Joseph J. Piscazzi Revocable Living Trust U/A Dated January 7, 1997" is the proper name of the respondent referred to as the "Joseph J. Piscazzi Irrevocable Trust" or the "Joseph J. Piscazzi Revocable Trust" in the Order as issued.

IT IS HEREBY ORDERED that the following amendments be made to the Order to reflect these determinations:

1. The caption of the Order is hereby amended to add the name "Safe Environment Corporation" to the list of Respondents, and to change the name "The Joseph J. Piscazzi Irrevocable Trust" to "Joseph J. Piscazzi Revocable Living Trust U/A Dated January 7, 1997".
2. Paragraph 3 of Section III (FINDINGS OF FACT) of the Order is hereby amended to read as follows:

“3. In 2002, CT entered into a promissory note and mortgage with the Joseph J. Piscazzi Revocable Living Trust U/A Dated January 7, 1997 (Trust), as well as a Deed of Trust in which Mr. Gary L. Thomas was granted as a trustee the right to sell the Site in the event CT defaulted on the note from the Trust. CT defaulted on the note and was eventually evicted in 2006.”

2. Paragraph 4 of Section III (FINDINGS OF FACT) of the Order is hereby amended to read as follows:

“4. In 2007, Mr. Thomas entered into an agreement with a demolition contractor, Nationwide Demolition Services, LLC (Nationwide), to demolish buildings on Site in order to prepare the property for sale. Nationwide contracted with Asbestek, Inc. (Asbestek) and Safe Environment Corporation for asbestos abatement work. The Cleveland Division of Air Quality (CDAQ) conducted inspections during the demolition activities and cited Mr. Thomas and the contractors for National Emissions Standards for Hazardous Air Pollutants (NESHAP) violations related to improper asbestos abatement prior to demolition. In addition, CDAQ notified the Ohio Environmental Protection Agency (Ohio EPA) of the presence of drums containing unknown materials at the Site.”

3. Paragraph 4 of Section IV (CONCLUSIONS OF LAW AND DETERMINATIONS) of the Order is hereby amended to read as follows:

“4. Respondent The Cleveland Trencher Company is a person who at the time of disposal of hazardous substances was an “owner” and “operator” of the Site, as defined by Section 101(20) of CERCLA, 42 U.S.C. §9601(20). Respondents Joseph J. Piscazzi Revocable Living Trust U/A Dated January 7, 1997 and Mr. Gary L. Thomas are the present owners or operators of the Site, or were persons who at the time of disposal of hazardous substances owned or operated the Site, or were persons who arranged for disposal or transport for disposal of hazardous substances at the Site. Respondents Nationwide Demolition Services, LLC, Asbestek, Inc., and Safe Environment Corporation are persons who at the time of disposal of any hazardous substances operated the Site, or who arranged for disposal or transport for disposal of hazardous substances at the Site. Respondents are therefore liable persons under Section 107(a) of CERCLA, 42 U.S.C. § 9607(a).”

4. The first paragraph of Section XIV (OPPORTUNITY TO CONFER) of the Order is hereby amended to read as follows:

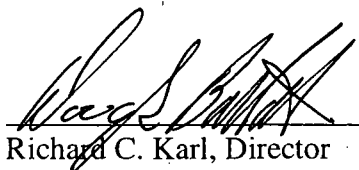

“Within 3 business days after issuance of this Order, Respondents may request a conference with U.S. EPA, except that Respondent Safe Environment Corporation has 3 business days after issuance of the First Amendment of Administrative Order Issued on June 21, 2010, to request a conference. Any such conference shall be held within 5

business days from the date of the request, unless extended by agreement of the parties. At any conference held pursuant to the request, Respondents may appear in person or be represented by an attorney or other representative."

All remaining portions of the Order shall remain in full force and effect as stated therein. This First Amendment of the Administrative Order Issued June 21, 2010 is hereby incorporated into the Order as if it were originally a part of the Order; all terms, conditions, and stipulations of the Order shall apply to this amendment.
